LAG RANGE 1992 - DESCRIPTION

G U I T A R S

CALIFORNIAN SERIES

THE BEAST : Dreadnot ornate body shape. Bolt on maple neck with LAG easy access. 22 jumbo frets (5 scallloped). Reverse angled headstock. Floyd Rose tremolo. 3 single coil S. Duncan SSL-5 + 1 humb DI MARZIO Nine Zone active. 5 ways switch. Black or chrome hardware. Satin finishing.

THE BEAUTY : Same guitar as the Beast but with 2 single coils and one humbucker. 5 ways switch, original turtle pickguard.

THE QUEEN : Artist single body shape. Bolt on maple neck with LAG easy access. 22 medium frets. Rosewood fingerboard. Californian serial headstock not reverse. Specific M. Heads. Kerper type tremolo. 3 single coils S. Duncan : SSL 1 + SSL 2 Rev + SSL 5. 5 ways switch. Chrome hardware. Turtle shell pickguard. Satin finishing. Colour : Ivrea Darkness and cut / Bevel.

THE BLUES : Same guitar shape as The Queen but with original Turtle Pickguard, 4 humb S.Duncan PAF in bridge pos., 1 STL 2 in lead pos. Tremolo bridge, 3 ways switch. Chrome hardware. Satin finishing.

ROXANNE SERIES

ROXANNE STD : Mahogany body with fixed neck 628 mm scale. Rosewood fingerboard 22 medium frets. Specific M. heads. 2 humbuckings zebra DI MARZIO : YNEPRO neck pos. TRED bridge pos. Cream binding around the body. Bridge tabacco & accessories in chrome. 2 vol. 2 tone. 3 ways switch. Original turtle pickguard. Standard finishing.

ROXANNE DL : Same guitar on standard, but with flamed maple top, ivrea abalone inlays. Duncan humbuckers : SH in neck + SH4 in bridge. Gold hardware. Original pearl pickguard. Deluxe varnish finishing.

FUSION : THINLINE version of Roxanne Deluxe model. Carved body and new active electronic participate in the Fusion's character. Tremolo optional.

ANNIVERSARY : Semi acoustic guitar. Thinline mahogany body. Wide ivrea maple arched top. Bindings. Fretless neck. Ebony fingerboard, crown abalone inlays. 22 medium frets.
The S. Duncan jazz P.U placed in neck pos. increase the jazz feeling of the guitar. The S.Duncan SH4 fixed on the "solid body" part of the guitar, gives good and warm lead sounds.
Passive and active electronic complete the efficiency of the 2 pickups. Fitted in the saddles of the bridge, piezo pickups add electric acoustic sounds which can be played alone or combinated with the electric pickups system.
Deluxe finishing.
This collection model is to celebrate the 10th anniversary of LAG in 92.

B A S S E S
